Celebration Event Guide

Explore fun, active celebration event ideas that reward students, build school spirit, and create lasting memories at the end of your fundraiser.

CELEBRATE SUCCESS

Celebrate Student Success

One of the most exciting parts of health. moves. minds. is celebrating everything your students accomplished together. Whether you prefer a turnkey Booster event, a SHAPE America-designed activity, or another creative event, your Celebration Event becomes the grand finale of the fundraiser — bringing students together for movement, teamwork, and fun while creating unforgettable memories.

Before You Choose Your Celebration

Every school is different, and there's no single 'right way' to celebrate. As you explore the following event ideas, consider the experience you want to create for your students and the resources available at your school.

Available Space

Indoor, outdoor, or both?

Time Available

A single PE class, one day, or a schoolwide event?

Grade Levels

Will all students participate together or by grade level?

Desired Level of Booster Support

Booster offers flexible levels of support for many Celebration Events, from self-managed experiences to enhanced options that may include onsite event support, props, signage, or other event elements.

School Culture and Student Interests

Choose an event that reflects your students' energy, interests, and the experience you want to create.

Featured Celebration Events

The following pages highlight a variety of celebration options. Booster offers several turnkey experiences — including Booster Fit Games, Fun Run, Color Run, DanceFit, and Glow Run — that can be tailored to meet your school's needs. Schools may also choose SHAPE America's Obstacle Course or customize their own celebration experience. Select the option — or combination of options — that best fits your students, available space, schedule, and fundraising goals.

Choose Your Celebration Event

All of these Celebration Events can be adapted to fit your school's space, schedule, and grade levels. Explore the options below and choose the experience that's right for your students.

FEATURED **Booster Fit Games**

Bring your fundraiser to an exciting finish with Booster's newest turnkey celebration experience! Hosted by the DudePerfect personalities, Booster Fit Games features engaging video-led fitness challenges that combine movement, teamwork, and friendly competition that keep students moving from start to finish. **Access the Booster Fit Games video in the health. moves. minds. Team Champion Exchange.**

Great for:

- Schools looking for an easy-to-implement, turnkey event
- Indoor or outdoor spaces
- PE classes or schoolwide celebrations
- Students who enjoy challenge-based activities and teamwork

Fun Run

Celebrate your fundraiser with a classic Fun Run that gets every student moving at their own pace. Whether students walk, jog, or run, this flexible event creates an energetic, inclusive atmosphere that encourages participation, school spirit, and healthy movement.

Great for:

- Outdoor spaces
- All grade levels
- Schools looking for a simple, high-energy event

Color Run

Add an extra splash of excitement with a Color Run! Students enjoy walking or running through colorful powder stations, creating a memorable celebration filled with energy, laughter, and school spirit.

Great for:

- Outdoor spaces
- Schools seeking a vibrant, festival-like atmosphere
- End-of-fundraiser celebrations

Choose Your Celebration Event

DanceFit

Turn your gym or cafeteria into a dance party! DanceFit combines upbeat music, easy-to-follow choreography, and plenty of movement to create an inclusive celebration that gets everyone participating.

Great for:

- Indoor or outdoor spaces
- All ability levels
- Schools that enjoy music and movement

Glow Run

Dim the lights and turn up the fun! Glow Run transforms your celebration into a high-energy glow party featuring music, movement, and glowing accessories that create an unforgettable experience.

Great for:

- Indoor spaces
- Evening events or darkened gyms
- Schools looking for a unique celebration atmosphere

SHAPE America Obstacle Course

Looking for an event that's easy to customize using equipment you already have? Developed by SHAPE America, the Obstacle Course features a series of movement, teamwork, and problem-solving challenges that encourage students to work together while they celebrate the impact of their fundraiser. **Download the SHAPE America Obstacle Course packet for your grade level in the health. moves. minds. Team Champion Exchange.**

Great for:

- Indoor or outdoor spaces
- Schools wanting to reinforce character development
- Flexible station-based participation

Choose Your Celebration Event

Looking for something uniquely your own? Create a celebration that reflects your school's personality while reinforcing the values students have been building throughout health. moves. minds.

Create Your Own Kindness Code Celebration

Transform your school into an interactive journey where students “unlock” each Piece of the Code through movement stations, teamwork challenges, and acts of kindness before coming together for one final celebration.

Great for:

- Reinforcing The Kindness Code theme
- Blending movement with reflection
- Encouraging teamwork and schoolwide participation
- All grade levels

Build Your Own Celebration

Start with movement

- Relay races
- Obstacle stations
- Dance breaks

Add teamwork

- Partner challenges
- Grade-level competitions
- Whole-school activities

Reinforce The Kindness Code

- Kindness challenges
- Reflection prompts
- Service projects

Finish Together

- School assembly
- Recognition ceremony
- Celebration walk
- Dance party

The best celebration is one that reflects your students, your school, and the impact you've made together throughout your fundraiser. Use these ideas as a starting point – and don't be afraid to make them your own.
