Leading Healthy Schools

Administrator Capacity-Building Program

BECOME PART OF THE 2027 LEADING HEALTHY SCHOOLS COHORT

As a school leader, you influence far more than academics — you shape the health, well-being, and success of your entire school community.

Leading Healthy Schools (LHS) is a free, year-long professional development and coaching program designed specifically for principals, assistant principals, district leaders, deans, and other school and district administrators ready to lead lasting change.

WHY APPLY?

- Learn practical strategies you can implement immediately;
- Receive individualized coaching and strategic planning support;
- Collaborate with school leaders from across the country;
- Access evidence-based resources and tools;
- Strengthen student and staff wellness initiatives;
- Expand your professional leadership network; and
- Share your school's successes nationally.
